

Monroe County Interoperable Communications Committee

May 11, 2016

No quorum present.

Meeting called to order at 1900 by Neal Rohlfing

Unable to approve minutes from previous meeting due to no quorum

Old Business:

Report on ISSI progress. MOU with each county will be needed. STARCOM must approve, Motorola cost is an issue for Missouri.

New Business:

Monitoring ISPERN traffic at dispatch. They should be doing it.

St. Clair talkgroups on console. Paul would like to put them on there. It will be discussed later.

Adding more radios on consoles. They are currently limited to 12 it would cost to add more.

Moving VHF receiver

Adding a channel bank at Sheriff and Ahne Rd would save cost of phone line.

STARRS Core Group replacement member needed. Would like sheriff do take that position.

UPS batteries for dispatch consoles and radio link need to be checked and replaced if needed.

Sheriff Tower Contract

Add VPN for additional radio dispatch capability at EMA office.

Next upgrade to Motorola to start in Sept. Cost?

Report on STARRS Core Group.

Bandwidth of 1- MHz was approved for ISSI traffic.

No meeting in May for STARRS

Next meeting is July 12, 2016 at 7:00pm

Adjourn at 1945
