John Schmalenberger, HTC communications and networking
Bob Hill- Coroner

Welcome Gentlemen!

Members present: Ryan, Bill, Kevin, Wes, Dan S., Ann, Carla, Mike, Ron, Chris, Vicki

Approval of October meeting minutes. Motion to accept made by Wes, seconded by Dan S., all present in favor

Public comment: none

Committee Reports:

Right-to-know: Wes: no changes to the policies

Public Education and Info: Dan S.: Plans are in the process to start reaching out to the public. Dan has a powerpoint presentation in the making. Discussion by the group was had to help determine what population we start with. Rotary Clubs, Lions Club, Farm Bureau, etc were suggested. Dan is going to look into this further and hopefully get something scheduled in the next few months.

Dan also shared that Gateway FS/ Percy location is going to be doing a high angle rescue drill with the Steelville FD. They are keeping the drill small scale to give it a trial run, but hope to do a larger scale drill and include other departments in the future. This is another training drill that we may explore in the future as we have bluffs, and a couple of high elevators in the county.

A barge/river drill may be something else for future training options.

Ryan received information from SERTC(Security & Emergency Response Training Center) regarding training provided if location could be provided. After discussion it was decided that Ryan will pass information onto the local fire chiefs to see if they are interested in hosting.

Chemical Facilities Liaison: Bill: some responses from letters have been received, Bill will be sending out reminders for facilities to get their reports in

Emergency Response & Resources: Dan M...: no report

Old Business:

Tier 2 reports/ Incident review: Incident report 12/20/16 14:30

Release of unknown substance into the Mississippi River at the Kinder Morgan Facility, a sheen was reported on the water, suspected from city storm drain. Storm drain is from the Missouri side. The spill was cleaned up. Ryan is waiting for the final report with identification of substance.

5 accounts were recently taken off the stated website. Ryan is not sure why. Bill will be checking with Select Propane, Wal-Mart, Jiffy Lube, Verizon and Crown Linen to inquire why they are no longer reporting to the state.

LEPC Exercise Committee: The group has planned a tornado exercise for April 8th, pending all players availability. Location near FF Rd and Hope Church area. The scenario utilizes MANY resources from the county. It has several twists in store for the players!

Next meeting for Exercise is Feb. 1, 2017 at 17:30

2015 HMEP Grant is completed. All reports have been sent in. It is closed on our end.

New Business:

Adam graciously accepted the offer to co-chair the Emergency Response and Resource Committee with Dan M. to fill the spot of Tim Valentine.

Required annual HAZMAT review for the public will be held in sometime in April. Ryan will be getting information together and sent out.

Other Business: none

Ryan called to adjourn meeting at 19:28, Dan S. made a motion to accept, Wes. seconded the Motion, all present in favor.
