

## Monroe County Interoperable Radio Committee

Minutes January 10, 2018

Meeting was called to order at 19:01 by Sheriff Neal Rohlfing

Motion to approve minutes from September meeting was made by Lynden and 2<sup>nd</sup> by Paul motion carried

No introductions were needed.

### Old Business:

ISSI Update: Nothing to report

800 Repeater: Repeater is in and we are waiting for a few things yet for the antenna and installation, they have been ordered just waiting for delivery. Motorola will be here next week to program the repeater. We will hopefully have it installed and operational by the end of the month if weather cooperates. The sheriff agrees to pay for the monthly fee associated with the repeater which should be the same cost as a mobile radio.

UPS batteries for Columbia radio bay: No Progress

Leads on Microwave: Approve letter and payments. Motion by Paul and 2<sup>nd</sup> by Lynden. Motion carried.

Talking with Motorola to remove the T1 Line at Ahne Rd: No Progress

Approval of 911 Board for VPN for EOC dispatch: Lynden thinks that it was approved but he is going to check.

### New Business:

Columbia EMS Dispatch: Columbia is considering dispatching EMS on their own talkgroup. This talkgroup was assigned when we designed our system so no changes will need to be made.

Radio Reprogramming: As soon as the repeater is in place we will have to touch all of the radios in the county again. There was discussion on what talkgroup we

want to have the repeater connected to and it was decided that the sheriff would get with Ryan and Paul prior to repeater programming to make this decision.

It was brought up to discuss moving meeting to once a quarter at the March meeting.

Public Questions: None

**Next Meeting is March 14, 2018 at 7:00 PM in the EMA Office**

Motion to adjourn was made by Lynden and 2<sup>nd</sup> by Jeff P.

Meeting adjourned at 20:10
