

Level 2 IT Network Technician

Monroe County, Illinois seeks an experienced full-time Level 2 Network Technician to maintain the computer, voice, and equipment used to support technology in the Monroe County Courthouse and other County Facilities. The technician is the key contact for users who need assistance in resolving technical issues. The position requires a discreet, hard-working, responsible, and detail-oriented person with excellent communication skills and a great work ethic. This position reports to the Monroe County Board.

Requirements

Level 2 PC Technician must have a high school diploma and at least two years of experience in handling PCs/laptops and telecommunication equipment. If they have CompTIA certifications in A+, Network+ or Security+, it would be beneficial.

Additional information and Employee Applications are available at monroecountyil.gov/employment. Applications will be accepted thru September 16, 2019.
